

Out of the MATRIX

YOUTH (11-14) APPLICATION FORM

Out of the
MATRIX

Congratulations! Completing this form will register your child in an *Out of the MATRIX* Program.

The **Youth Out of the MATRIX** program has been designed to help 11-14 year olds perceive the world, themselves and their role in the world differently. The participants will be challenged to take a much closer look at how the world works. A much closer look at how they show up in the world. They will also be given techniques on viewing themselves and the world in a more loving, joyful and accepting manner. Our experience has been that participants' lives can shift dramatically based on this new view of the world and themselves. Get ready to live "Out of the Matrix"!!
